Long Awaited Parking Lot Dream About to Become Reality

On September 19, Pastor Rob presented the Nevada-Utah Conference Association Committee with a proposal from the Winnemucca Seventh-day Adventist Church. In the presentation, the 40 active members asked that \$10,000 be obtained from Nevada-Utah Conference Advance to help complete the Winnemucca Church Facility Improvement Plan.

Since 1996, the Winnemucca Seventh-day Adventist Church members have sacrificially contributed to a special local fund with the purpose of modernizing our parking facility and adding another classroom which will also serve as a library.

As of August 31, 2012, the church has raised \$66,085.44. The entire project cost has been established at \$75,000.00. After sixteen years, we are nearly at the end of our journey as we have collected 88% of the project's costs.

Work on the property has continued through the summer. Under the campaign "52 Days" - tailored

General Questions

Do my tithes and offerings still go through my local church?

Yes. 100% of the funds are routed through the local church.

What payment types do you accept?

We accept electronic checks (using your checking's routing and account number), and we can process Visa®, MasterCard® and Discover® credit cards. We also accept debit cards with the Visa® and MasterCard® logo.

Is my credit card/electronic check information secure?

As privacy and security are top priorities in this program, state-of-the-art security measures are in place.

Who will know what I am giving?

Your password, login and state-of-the-art security measures protect your privacy online. Only your church treasurer will have knowledge of your giving, as is the case with regular cash and check contributions.

What do I do if I don't see the fund that I want to donate to?

AdventistGiving has more than 900 offering categories from which to select, and you will likely find the category you want. However, if you do not see an offering category listed, you can still give cash or a check at your local church. You may also contact your local treasurer if you wish to request a category be added to AdventistGiving.

SEVENTH-DAY
ADVENTIST® CHURCH

The Winnemucca Seventh-day Adventist Church now offers a new way of giving easily fits into your life. In fact, this secure, state-of-the-art giving option allows you to return tithes and give offerings anywhere, anytime with an Internet connection

How long will it take for my church to receive the money I give online?

The funds are sent to the church checking account electronically on a monthly cycle.

How do the local church treasurers keep track of this method of giving?

After receiving a monthly electronic report of all AdventistGiving transactions, the local church treasurer incorporates this group of givers into the monthly report to the church and conference. The local church treasurer then disburses the contributions in harmony with the givers' intentions.

Who issues my receipt?

After a successful transaction, AdventistGiving generates a confirmation for your records. Official tax receipts will be issued by the receiving church or conference by the end of the year.

Who pays the credit card transaction fees and other banking fees?

The overall cost is shared by the local conference, the union, the North American Division, and the General Conference to ensure you get full credit for your contributions.

Can I still use the old familiar cash and check method of giving?

Yes. AdventistGiving is simply another method available to you.

Once I establish an AdventistGiving account, am I always required to give online?

No. You can use all available methods at anytime.

Does this system give more money to the conference?

No. All percentages and destinations remain the same as the regular system.

Nevada-Utah Conference New Headquarters Dedication

The Nevada-Utah Conference of Seventh-day Adventists recently celebrated the dedication of their new headquarters in grand style by recalling their proud heritage. Nearly 75 people crowded into the Board Room to witness the festivities.

Led by Pacific Union President, Ricardo Graham, several prior NUC presidents reminisced about the neighborhood and physical limitations of the over half-century building which was the prior headquarters on Taylor Street.

The new facility is located in a business complex at 10475 Dou-

ble R Blvd, Reno, NV, 89521.

Current President Larry Unterseher welcomed past leaders Larry Moore (current Southwestern Union Conference President), Larry Caviness (current Southern California Conference President), and Darold Retzer (current Administrative Pastor at Loma Linda University Church). Brad Newton (current Pacific Union Conference Secretary) was unable to attend but sent a letter of congratulations.

The new facility was dedicated loan-free and will enhance the work throughout our territory.

Wedding Bells Chime for James & Janine Dexter

The chime of wedding bells 573 miles away in Azure Hills, a Loma Linda, CA suburb, reached Winnemucca signaling the news that one of our own young people had been married. Jim Dexter, son of Bob and Wendy Dexter was united in marriage to Janine Hwang on September 23.

Jim has been attending graduate school in Southern California and met Janine while walking his dog at a local dog park. Their pets became friends, and so did they! Janine is a physician who practices in Riverside, California.

The Winnemucca Seventh-day Adventist Church collectively contributed to their gift registry by giving several camping items which the couple hoped to receive.

Bob and Wendy traveled from Orovada to Loma Linda for the family celebration. Make sure you ask them to show you the many pictures they took while attending the wedding.

The new couple will continue to make their home in the Loma Linda community. Their new address is 26072 Gardner Street, Loma Linda, CA 92354.

Northern Nevada Pastors to Lead Elko Church Evangelistic Series

Faced with dwindling funds for Evangelism, the pastors of the Northern Nevada-Utah Conference area have banded together to assist Pastor Angel Leon and the Elko Seventh-day Adventist Church conduct a fall evangelistic series the third week in October.

With the vast majority of evangelistic funds going to Las Vegas this year to help conduct the **It Is Written Babylon Rising Campaign**, they were precious few funds available for

work in the rest of the Nevada-Utah territory. The Northern Nevada pastors decided to pool their evangelistic budgets together and conduct meeting in Elko. Instead of hiring a well-known (and well paid) evangelist, the pastors will blitz the Elko area, visiting door-to door, and personally conduct Sabbath and evening meetings October 20 through October 27. The meetings will take place in the Desert Inn.

Speakers for the series include: Pastor Julio Juarez, Jr. [Truckee]; Pastor

Brad Minett [Heavenly Valley]; Pastor Jerry Waggoner [Bishop/Lone Pine]; Pastor Kingsley Palmer [Sparks]; Pastor Robert Roth [Winnemucca]; Elder David Solomon Hall [NUC Families Ministries Director]; Pastor Gary Gryte [Carson City]; Pastor Alex Ramirez [Reno/Sparks Hispanic]; Pastor Angel Cuenca [Tonopah/Yerington/Hawthorne]; Pastor Joyce Rapp [Tonopah] and host, Pastor Angel Leon [Elko/Ely].

Please remember the meetings in your prayers.

Winnemucca Seventh-day Adventist Church to Share Church Campus

Subject to a vote at the Sunday morning Business Meeting at the Fall 2012 Rye Patch Church Retreat, we might be having new neighbors!

The Winnemucca Christ Life Family Ministries, which currently worships at 16 East 2nd Street, has approached our church board regarding renting our campus for their worship and mid-week services.

Led by Pastor Allen and his two

pastor sons, the 60-member non-denominational Assemblies of God church expressed a strong interest in leaving their present 100+ year old building and sharing our church facilities. They would meet on Sunday morning from 9:30am through 2:00pm and additionally on Thursday evenings for Bible Study. They will use the sanctuary, classrooms, and Fellowship Hall.

They chose our campus because of a strong friendship with Winnemucca Seventh-day Adventist member, Jim

McKillop.

If approved by both churches, they will start services November 1. According to Pastor Rob, "Their monthly rent of \$500 will greatly help our local Church Family Budget." Pastor Rob added, "We remember the early years when our congregation was created and we enjoyed the hospitality of other Christian churches. It is wonderful to reciprocate and share our facility with our Christian brothers and sisters."

Pastor's Corner:

October marks a turn in our local church's calendar with our thoughts formulating towards the new year.

We are reaching the end of our collective journey ***Connections - The Right People, In the Right Places, For the Right Reasons***. This group project, which started and continues in Sabbath School, will help our members implement their Spiritual Gifts in our community of faith. Additionally, this will help our leaders fulfill their privilege and responsibilities when it comes time to fill church offices for the next two years.

Seventh-day Adventists were early introduced to the doctrine of Spiritual Gifts. Pioneer Ellen G. White wrote in the Feb. 15, 1870 *Review*, "It is quite generally understood that Seventh-day Adventists are believers in the perpetuity of spiritual gifts,

but the use which we make of the doctrine of spiritual gifts ... is very generally misunderstood ... The object of spiritual gifts is to maintain (emphasis mine) the living work of God in the church."

Our local church is a very unique congregation. Many of us live great distances from the physical church campus. Some of us have physical challenges which make it difficult to do the tasks we wish we could. Some of us have work schedules which prohibit regular church attendance. Please let me say that as your pastor, I am truly grateful for the service and dedication our members share with the body of Christ here in Winnemucca.

With that said, I want each of us to examine their commitment to the "living work of God in the church." Have I been as faithful as I should be in carrying out my responsibilities as a church member? Have I faithfully supported the local ministries of our local church by regularly sharing and sacrificing toward our local Combined Budget? Do I regularly strengthen both the "body of Christ" and my own spiritual condition by faithfully

fellowshipping with my church family?

Some of our members are here in person every time the doors of the church are open. What saints! And some of our members spend only 1% of their weekly time participating in discovering, growing and sharing their Spiritual Gifts with their church family.

To the saints who faithfully attend and participate in most of the local church activities - **carry on!** Christ's body needs you! To the 1% who come for the 11 o'clock worship hour - won't you prayerfully consider how you can increase your fellowship with us? We have activities throughout the week, day and night. We not asking for you to drop everything and "live at the church" (like some of us) - just share more of your time, talents, laughter, tears, finances, and hearts with the body of Christ here in Winnemucca. There are many tasks needed in fulfilling our church's mission here in our community.

Some as simple as putting labels on newsletters. It's not too late to get involved. Come see me. Won't you join us?

Yours in His service,
Pastor Rob
